Subsidiary of Primary Home Care

As simple as  
1... 2... 3.

## *Personal Emergency Response Service* (not just for emergency)

For increased independence, security, peace of mind or just reassurance, we're there for you at the touch of a button, *anytime!*

It's as simple as 1... 2... 3.

1. Call us at (800) 454-5242 to become a member of our service family;
2. We will contact you within one working day to set-up a time for enrollment;
3. We'll come to your home, check all information, set-up the service, and have you completely enrolled in a matter of minutes!

**Just  
Because  
They're  
Special**

### **How the service works:**

- Push the button and your specially trained response staff will talk to you by name;
- Speak back to them from where you are, letting them know of your need or concern;
- The staff will contact someone for you or call emergency personnel, if necessary.

### **So, what sets us apart from the other services?**

- The smallest waterproof help button available;
- Full scale, monthly test of system;
- Enrollment within 2 working days or less;
- Fast, friendly and caring monitoring at our 24-hour response center;
- Extended help button range, for active subscribers;
- "Care calls" are always welcome, our service is not just for emergencies;
- Trained, badged, and background-checked home service representatives;
- Special need buttons are available for those who cannot activate a standard button;
- Talk/Listen feature assures that the subscribers are heard when needed;
